LOCAL BALLOT MEASURES

A: School Facilities Bonds

Reauthorizes bond to complete repairs, improvements and renovations on remaining 50 schools.

Yes

No

B: Road Repaving and Street Safety Bond

\$248 million bond to rebuild deteriorating city streets.

Yes

No

C: City Pensions and Healthcare Benefits

Consensus pension reform measure that would increase employee pension contributions, increase retirement ages, require employee contributions to the Retiree Health Care Trust Fund and change the composition of the Health Services System Board.

Yes

No

D: Retirement Benefits for City Employees

Pension reform measure that would reform the funding of city employee pension and retiree healthcare through increased pension contributions, increased retirement ages and limiting the annual pension for new employees.

Yes

No

E: Amending or Repealing Legislative Initiative Ordinances and Declarations of Policy

Allows voter-adopted initiatives, ordinances and declarations of policy originating with the mayor or Board of Supervisors to be amended or repealed by the Board of Supervisors after 3 years.

Yes

No

F: Campaign Consultant Ordinance

Modifies current campaign consultant regulations to require submission of filings monthly instead of quarterly and increases fees. Exempts some consultants from filing if they receive less than \$5,000 per year. Also allows the City to change any of the campaign consultant ordinance requirements without further voter approval.

Yes

No

G: 0.5% Sales Tax Increase to Fund Public Safety & Social Services

Temporarily increases the sales tax in San Francisco from current rate of 8.5% to 9%. Would be repealed if the state increases sales tax. The expenditure plan for revenue from this measure is limited to public safety and social service programs.

Yes

No

H: School District Student Assignment System

Statement of policy in support of a neighborhood based school assignment process.

Yes

No
